

CHURCHNET FOUNDATION

Following God's Call to Care for Each Other

Welcome to The ChurchNet Foundation and thank you for sharing in our mission to care for our community! Since our formation in 2005, ChurchNet strives to love and serve others when they need our support. 2023 was no different. We continue to give thanks for our generous support and figures below demonstrate the specific numbers.

Chief among our joys this year was celebrating a new platform streamlining and expediting the great work of our volunteers. A huge shoutout to Kelly Campbell and all of his great staff at IT Central. Thanks to this amazing team, we now have each record, their identifiers, their payments and all receipts neatly saved in one file. The platform is also stored and backed up in the cloud for ease of use and monitoring.

We would also like to welcome two new volunteers. Please join me in welcoming Elaine McLeod and Leon Holt. They are a wonderful complement to our team!

We continue to feel a valuable partnership with area churches, utility companies, and individual friends who have committed to our work. This support does not go unnoticed nor uncelebrated. The "team" that we have created together makes our community and ourselves stronger, healthier and connected.

Much love,

Anne
